

**PATRICK J SCHEMBRI: BOOKS, BOOK CHAPTERS, CONFERENCE PAPERS AND OTHER WORKS.**

1. Schembri, P.J. (1977) *The preparation of museum specimens*. The University of Malta, Fort St. Lucian Marine Station; 39pp. [mimeographed]
2. Schembri, P.J. (1977) *Aspects of the biology of the echiuran worm Bonellia viridis*. M.Sc. dissertation; Department of Biology, The University of Malta; vi + 224pp. [unpublished]
3. Schembri, P.J. (1980) *Aspects of the biology, behaviour and functional morphology of the crab Ebalia tuberosa (Pennant)*. Ph.D. dissertation; Department of Zoology, University of Glasgow; ix + 194pp. [unpublished]
4. Schembri, P.J. (1985) Conservation of the Maltese fauna. Paper presented at forum *The future of the Maltese environment*; Floriana, Malta, 5 June 1985; 46pp. [mimeographed]
5. Schembri, P.J. (1987) That much abused word 'environment': a problem of definition. In: *National training workshop on environmental education in Malta (April 6-10, 1987)*. pp.7-12; Beltissebh, Malta: Institute of Design for Environmental Action (I.D.E.A.); ii + 81pp.
6. Vassallo, H.C.; Consiglio, J.; Galea, C.; Lanfranco, G.; Schembri, P.J. & Balzan, S. (1987) *Zvilupp ta' l-ambjent*. In: *Malta centru ta' paci: flimkien lejn is-sena 2000*. pp.108115; Valletta, Malta: Edizzjonijiet Studia (M.A.S.); 115pp.
7. Schembri, P.J. (1987) The diversity of Mediterranean marine life. Paper presented at seminar *Marine life and its protection*; Society for the Study and Conservation of Nature; Beltissebh, Malta, 27-29 May 1987; 5pp. [mimeographed]
8. Schembri, P.J. (1987) The Maltese Islands and Mediterranean marine biology. Paper presented at symposium *The Maltese environment in its Mediterranean context*; Foundation for International Studies; Italian Cadet Training Ship 'Palinuro', Malta, 11 July 1987; 3pp. [mimeographed]
9. Schembri, P.J. (1987) Marine biology in the Maltese Islands. Paper presented at roundtable conference *La vela e l'ecologia mediterranea nel coinvolgimento di due nazioni che ne promuovono la sensibilizzazione dei problemi - Italia e Malta* on the occasion of the Rimini-Malta-Rimini Regatta; Foundation for International Studies; Valletta, Malta, 3 September 1987; 3pp. [mimeographed]
10. Schembri, P.J.; Lanfranco, E.; Farrugia, P.; Schembri, S. & Sultana, J. (1987) *Localities with conservation value in the Maltese Islands*. Beltissebh, Malta: Environment Division, Ministry of Education; iii + 27pp.
11. Schembri, P.J. (1988) Report No. 5: Ecology considerations. In: *Environmental impact assessment of a power station on a site at Delimara*. Vol. 2, pp.51-68; Malta: Power Station Project, Government of Malta.
12. Schembri, P.J. (1988) A guide to Maltese land-snails. [book review] *The Sunday Times* 19 June 1988, p.18.
13. Schembri, P.J. & Sultana, J. (eds) (1989) *Red data book for the Maltese Islands*. Valletta, Malta: Department of Information; viii + 142pp. + plates I-VIII.
14. Schembri, P.J. (1989) Invertebrates other than insects and molluscs. In: Schembri, P.J. & Sultana, J. (eds) *Red data book for the Maltese Islands*. pp.71-78; Valletta, Malta: Department of Information.

15. Thake, M.A. & Schembri, P.J. (1989) Mollusca. In: Schembri, P.J. & Sultana, J. (eds) *Red data book for the Maltese Islands*. pp.79-89; Valletta, Malta: Department of Information.
16. Lanfranco, G. & Schembri, P.J. (1989) Vertebrates other than birds. In: Schembri, P.J. & Sultana, J. (eds) *Red data book for the Maltese Islands*. pp.129-137; Valletta, Malta: Department of Information.
17. Vogel, P.; Maddalena, T. & Schembri, P.J. (1989) Les crocidures des îles méditerranéennes: données caryologiques et synthèse sur leur répartition. Paper presented at the *XIII Colloque International de Mammalogie*; Banyuls, France, 13-15 October 1989; 4pp. [mimeographed]
18. Anderson, E.W. & Schembri, P.J. (1989) *Coastal zone survey of the Maltese Islands report*. Beltissebħ, Malta: Planning Services Division, Works Department; xii + 121pp. + 100 hand-drawn colour maps + 19 synoptic maps.
19. Schembri, P.J. & Lanfranco, E. (1989) *Conservation of marine living natural resources of the Maltese Islands: a preliminary report on the present situation and proposals for new actions*. [Marine Sciences Network Technical Report N°1] Valletta, Malta: Malta Council for Science and Technology; 11pp.
20. Schembri, P.J. (1989) Faith and the ecological consciousness. In: *The dove homing in the owl's nest: contributions to the dialogue between faith and culture*. pp.57-67; TalQroqq, Malta: The Theology Students' Association. ix + 149pp.
21. Ventura, F.J.; Schembri, P.J. & Baldacchino, A.E. (1989) Environmental education and the diffusion of environmental research findings in Malta. Paper presented at *Consultation on the use of findings of environmental research in environmental education*; Foundation for International Studies/UNESCO-UNEP International Environmental Education Programme (IEEP); Valletta, Malta, 11-13 December 1989 [mimeographed].
22. Schembri, P.J.; Ventura, F. & Calleja, J. (eds) (1989) *Consultation on the use of findings of environmental research in environmental education*. [Final report of consultation meeting organized by the Foundation for International Studies in cooperation with UNESCO-UNEP International Environmental Education Programme (IEEP), Valletta, Malta, 11-13 December 1989] Valletta, Malta: Foundation for International Studies; 70pp.
23. Schembri, P.J. (1990) The future is what we make it: an ecological perspective of the Maltese environment. In: "*Peace with the Creator, peace with all of creation; talks on the occasion of the World Day of Peace 1990*". pp.3-13; Malta: Justice and Peace Commission.
24. Schembri, P.J. (1990) The Maltese coastal environment and its protection. *Lega Navale Italiana Sezione di Agrigento, Quaderni* 43: 107-112.
25. Schembri, P.J. (1990) The natural environment of the Maltese Islands: human impact and conservation. *Mediterranean Social Sciences Network Newsletter* 4: 40-48.
26. Baldacchino, A.E.; Lanfranco E. & Schembri, P.J. (1990) *Appuntamenti man-natura*. Blata I-Bajda, Malta: Merlin Library Ltd.; 103pp.
27. Baldacchino, A.E.; Lanfranco, E. & Schembri, P.J. (1990) *Discovering nature in the Maltese Islands*. Blata I-Bajda, Malta: Merlin Library Ltd.; 104pp.

28. Cassar, J.; Bonnici, A.; Schembri, P.J. & Ventura, F. (1990) Preliminary report on the relationship between climate and conservation within the Hal-Saflieni Hypogeum in Malta. *Actes Journees Internationales d'Etude sur la Conservation de l'Art Ruperstre* [Dordogne, Perigord, France, 20-23 Août 1990] pp.155-161; ICOM.
29. Bonnici, A.; Cassar, J.; Schembri, P.J. & Ventura, F. (1990) Visitor impact on an underground prehistoric monument: the Hal-Saflieni Hypogeum. Paper presented at *Workshop on archaeological parks and cultural tourism*; Foundation for International Studies/Mediterranean Institute/Council of Europe; Valletta, Malta, 13-16 September 1990; 17pp. [mimeographed]
30. Schembri, P.J. (1991) Ekologija tal-gzejjer Maltin: harsa generali. In: Cortis, T. (ed.) *Oqsma tal-kultura Maltija*. pp.5-37; Beltissebh, Malta: Ministeru ta' l-Edukazzjoni u ta' l-Intern; 296pp.
31. Schembri, P.J. & Anderson, E.W. (1991) Land-use competition in Malta. Paper presented at *International conference on islands and small states*; Foundation for International Studies; Valletta, Malta, 23-25 May 1991; 13pp. [mimeographed]
32. Schembri, P.J. (1991) Coping with dangerous fish. [book review] *The Sunday Times* 8 September 1991, p.25.
33. Schembri, P.J. (1991) Biological aspects of coastal erosion in the Maltese Islands: a review and proposal for future work. Paper presented at *Workshop on coastal erosion*; IOC/ICSEM-OSNLR/Malta Coastal Environment Research Project (CERP); Valletta, Malta, 14-17 October 1991; 2pp. [mimeographed abstract]
34. Schembri, P.J. (1991) Environmental education: I. In: Farrugia, C. (ed.) *A national minimum curriculum for Malta: proceedings of the Maltese workshop on the national minimum curriculum for primary level*. pp.130-134; Malta: University of Malta/Foundation for International Studies/Ministry of Education; 146pp.
35. Dahl, A.L. (ed.) (1991) *Island directory*. [UNEP Directories and Bibliographies N°35] Nairobi, Kenya: United Nations Environment Programme; iii + 573pp. [contributed Malta section pp.138-141]
36. Chetcuti, D.; Buhagiar, A.; Schembri, P.J. & Ventura, F. (1992) *The climate of the Maltese Islands: a review*. Msida, Malta: Malta University Press; vi + 108pp.
37. Cilia, G. & Schembri, P.J. (1992) Socio-economic aspects of environmental problems in the Maltese Islands. Paper presented at *Conference on the social dimensions of environment and sustainable development*; United Nations Research Institute for Social Development/Foundation for International Studies; Valletta, Malta, 22-25 April 1992; 20pp. + Figs 1-7. [mimeographed]
38. Schembri, P.J. (1992) Marine conservation areas in the Maltese Islands. Paper read at *Presentation on 'Marevivo: Crociera Oceanografica 1992' and 'Malta Coastal Environment Research Project (CERP)*; Marevivo/Euro-Mediterranean Centre on Marine Contamination Hazards; held on board the R.V. 'Minerva', Crucifix Wharf, Malta, 19 July 1992; 5pp. [mimeographed]
39. Anderson, E.W.; Role, A. & Schembri, P.J. (1992) Coastal zone surveys of the Maltese Islands: onshore and offshore. In: Suárez de Vivero, J.L. (ed.) *The ocean change: management patterns and the environment*. pp.139-152; Sevilla, Spain: Departamento de Geografia Humana, Universidad de Sevilla; 300pp.

40. Schembri, P.J. (1992) The Mediterranean (Greenpeace, The seas of Europe series). [book review] *International Journal of Environmental Studies* 42: 230-232.
41. Schembri, P.J. & Baldacchino, A.E. (1992) *Ilma, blat u hajja: is-sisien ta` l-ambjent naturali Malti*. Msida, Malta: Malta University Services Ltd.; 112pp.
42. Schembri, P.J. (1992) Diversity and conservation of the non-marine molluscs of the Maltese Islands. In: Giusti, F. & Manganelli, G. (eds) *Abstracts of the Eleventh International Malacological Congress, Siena 1992*. pp.195-198; Siena, Italy: University of Siena.
43. Mallia, A. & Schembri, P.J. (1992) Malta's national database on biodiversity. Paper presented at *Training workshop on aspects of marine documentation in the Mediterranean*; Foundation for International Studies; Valletta, Malta, 23-26 November 1992; 10pp. [mimeographed].
44. Stumpel-Rienks, S.E. (1992) *Nomina herpetofaunae Europaeae*. [Handbuch der Reptilien und Amphibien Europas, supplement] Wiesbaden, Germany: Aula-Verlag. [contributed Malta section]
45. Wells, S.M. & Chatfield, J.E. (1992) *Threatened non-marine molluscs of Europe*. [Nature and Environment N°64]; Strasbourg, France: Council of Europe Press; 163pp. [contributor to Malta section pp.52-54]
46. Schembri, P.J. (1992) The fauna of the Maltese Islands: a review and analysis. In: EllulMicallef, R. & Fiorini, S. (eds) *Collegium Melitense Quartercentenary Celebrations (1592-1992); Collected papers contributed by members of the academic staff of the University of Malta*. pp. 541-573; Msida, Malta: University of Malta; xxv + 621pp.
47. Schembri, P.J. (1993) Physical geography and ecology of the Maltese Islands: a brief overview. In: Busuttil, S.; Lerin, F. & Mizzi, L. (eds) *Malta: food, agriculture, fisheries and the environment*. [Options Méditerranéennes ser.B: Etudes et Recherches N°7] pp.2739; Paris, France: CIHEAM; 192pp.
48. Schembri, P.J. (1993) Tourism and the natural environment in Malta. Paper presented at seminar on *Economic development of small island states through sustainable tourism*. Institute of Tourism Studies; St.Julians, 15 March 1993; 4pp. [mimeographed]
49. Schembri, P.J. & Lanfranco, E. (1993) Development and the natural environment in the Maltese Islands. In: Lockhart, D.G.; Drakakis-Smith, D. & Schembri, J. (eds) *The development process in small island states*. pp.247-266; London & New York: Routledge; xv + 275pp.
50. Group of Specialists on the Ecological Impact of Gene Technology (1993) *Potential long-term ecological impact of genetically modified organisms: a survey of literature, guidelines and legislation*. Strasbourg, France: Council of Europe; viii + 82pp. [contributor]
51. Bonnici, A.; Cassar, J.A.; Schembri, P.J. & Ventura, F. (1993) Visitor impact on an underground prehistoric monument - the Hal Saflieni Hypogeum, Malta. *ICOM Committee for Conservation 10th Triennial Meeting (Washington, August 1993)* Vol.2, pp.825-830.
52. Baldacchino, A.E. & Schembri, P.J. (1993) *Ilr-rettili u l-amfibji tal-gzejjer Maltin*. Valletta, Malta: Socjetà għall-Istudju u l-Harsien tan-Natura (SSCN); 46pp.

53. Mallia, A. & Schembri, P.J. (1993) Rocky shore community structure as an indicator of low-level organic loading on Maltese coasts (Central Mediterranean). Paper presented at conference *Clean Seas 93*. Mediterranean Conference Centre, Valletta, Malta 9-11 November 1993; 17pp. [mimeographed]
54. Borg, J. & Schembri, P.J. (1993) Changes in marine benthic community types in a Maltese bay following beach rehabilitation works. Poster presented at conference *Clean Seas 93*. Mediterranean Conference Centre, Valletta, Malta 9-11 November 1993.
55. Schembri, P.J. (1994) The environmental impact of tourism in Gozo. In: Briguglio, L. (ed.) *Tourism in Gozo: policies, prospects and problems*. pp. 50-56; Blata l-Bajda, Malta: Formatek Ltd.; vi + 102pp.
56. Schembri, P.J. (1994) Developing the use of coastal marine benthic communities as indicators of environmental quality. Paper presented at *Meeting of Euro-Mediterranean Marine Centres: a call for co-operation*. Foundation for International Studies, Valletta, Malta 16-18 November 1994.
57. Schembri, P.J. (1994) Natural heritage. In: Frendo, H. & Friggieri, O. (eds) *Malta culture and identity*. pp. 105-124; Valletta, Malta: Ministry of Youth and the Arts; ix + 272pp.
58. Schembri, P.J. (1995) Sponoz [pp.149-152], Knidarji [pp.153-158], Hniex [pp.159-164], Mirjapodi [pp.189-192], Ekinodermi [pp.303-310]. In: Sultana, J. (ed.) *Flora u fawna ta' Malta*. Floriana, Malta: Dipartiment ghall-Harsien ta' l-Ambjent; 434pp.
59. Baldacchino, A.E.; Schembri, P.J. & Schembri, S. (1995) *Gmiel in-natura*. Blata l-Bajda, Malta: Merlin Library Ltd.; 111pp.
60. Mallia, A. & Schembri, P.J. (1995) Strategies for the conservation of the coastal and shallow water ecosystems of the Maltese Islands. In: Özhan, E. (ed.) *Proceedings of the second international conference on the Mediterranean coastal environment, MEDCOAST 95, October 24-27, 1995 Tarragona, Spain*. Vol.1 pp 187-201; Ankara, Turkey: MEDCOAST Secretariat, Middle East Technical University.
61. Busuttil, A. & Schembri, P.J. (1995) Population biology of the periwinkle *Melaraphe neritoides* (L.) (Gastropoda: Prosobranchia) on a Maltese rocky shore. In: Guerra, A.; Rolan, E. & Rocha, F. (eds) *Abstracts of the Twelfth International Malacological Congress, Vigo, Spain 1995*. pp.147-149; Vigo, Spain: Instituto de Investigaciones Marinas (CSIC).
62. Giusti, F.; Manganelli, G. & Schembri, P.J. (1995) *The non-marine molluscs of the Maltese Islands*. [Museo Regionale di Scienze Naturali, Torino, Monografie 15]; Torino, Italy: Museo Regionale di Scienze Naturali; 607pp.
63. Stevens, D.T.; Lanfranco, E.; Mallia, A. & Schembri, P.J. (1995) Biodiversity conservation and utilisation in the Maltese Islands. Paper presented at workshop on *Identifying and monitoring biodiversity and its utilisation in Commonwealth small island developing states*. Commonwealth Science Council, Valletta, Malta 30 October - 3 November 1995.
64. Schembri, P.J. (1996) The islands (with J.Sultana) [pp.16-27], Sponges [pp.89-91], Cnidarians [pp.92-95], Annelids [pp.96-99], Myriapods [pp.118-120], Echinoderms [pp.263-267], Glossary (with E.Lanfranco) [pp.320-322]. In: Sultana, J. & Falzon, V. (ed.) *Wildlife of the Maltese Islands* [translation, with additions, of *Flora u fawna ta' Malta* (1995)]. Floriana, Malta: Environment Protection Department; 336pp.

65. Schembri, P.J. & Lanfranco, E. (1996) Introduced species in the Maltese Islands. In: Baldacchino, A.E. & Pizzuto, A. (eds) *Introduction of alien species of flora and fauna*. [Proceedings of a seminar held at Qawra, Malta, 5 March 1996], pp.29-54. Floriana, Malta: Environment Protection Department; 77pp.
66. Baldacchino, A.E; Schembri, P.J. & Schembri, S. (1996) *The beauty of nature in the Maltese Islands*. Blata l-Bajda, Malta: Merlin Library Ltd.; 111pp.
67. Borg, J.A.; Micallef, S.A.; Pirotta, K. & Schembri, P.J. (1997) Baseline marine benthic surveys in the Maltese Islands (Central Mediterranean) In: Özhan, E. (ed.) *Proceedings of the third international conference on the Mediterranean coastal environment, MEDCOAST 97, November 11-14, 1997 Qawra, Malta*. Vol.1 pp. 1-8; Ankara, Turkey: MEDCOAST Secretariat, Middle East Technical University.
68. Pirotta, K. & Schembri, P.J. (1997) Characterization of the major marine biotopes of the hard substrata around the Maltese Islands. In: Özhan, E. (ed.) *Proceedings of the third international conference on the Mediterranean coastal environment, MEDCOAST 97, November 11-14, 1997 Qawra, Malta*. Vol.1 pp. 9-24; Ankara, Turkey: MEDCOAST Secretariat, Middle East Technical University.
69. Pirotta, K. & Schembri, P.J. (1997) Characterization of the major marine biotopes of the soft substrata around the Maltese Islands. In: Özhan, E. (ed.) *Proceedings of the third international conference on the Mediterranean coastal environment, MEDCOAST 97, November 11-14, 1997 Qawra, Malta*. Vol.1 pp. 25-37; Ankara, Turkey: MEDCOAST Secretariat, Middle East Technical University.
70. Howege, H.M. & Schembri, P.J. (1997) Seasonal variation in abundance and biomass of the molluscan assemblages associated with the sea-grass *Cymodocea nodosa* (Ucria) Asch. in the Maltese Islands. Paper presented at conference *Deuxièmes Journées Maghrébines des Sciences de la Mer sur le thème "Ressources Halieutiques et Environnement Marin"*. Agadir, Morocco 20-22 December 1997. 17pp + Figs 1-13.
71. BIOMAERL team (1998) Maerl grounds: habitats of high biodiversity in European waters. In: Barthel, K.G.; Barth, H.; Bohle-Carbonell, M.; Fragakis, C.; Lipiatou, E.; Martin, P.; Ollier, G. & Weydert, M. [eds] *Third European marine science and technology conference, Lisbon, 23-27 May 1998*. Volume 1 *Marine systems*; pp.170-178. Brussels: European Commission. [The BIOMAERL team includes J.A.Borg, E.Lanfranco, M.Rizzo and P.J.Schembri from the University of Malta.]
72. Schembri, P.J. (1998) Marine ecology for resource managers. [summary of lecture]. In: Briguglio, L. [ed.] *Workshop on integrated management of freshwater, coastal areas and marine resources in small island developing states. Malta 8-12 December 1997*. pp. 157-158; Malta: University of Malta Gozo Centre.
73. Borg, J.A. & Schembri, P.J. (1998) Bathymetric distribution of decapods associated with a *Posidonia oceanica* (L.) Delile meadow in Malta (Central Mediterranean). *Proceedings and Abstracts of the 4th International Crustacean Congress, Amsterdam 20-24 July 1998*, p.47.
74. Borg, J.A., Lanfranco, E., Mifsud, J.R., Rizzo, M. & Schembri, P.J. (1998) Does fishing have an impact on Maltese maerl grounds? Paper presented at ICES Symposium on *Marine benthos dynamics: environmental and fisheries impacts*. Heraklion, Crete 5-9 October 1998. [Abstracts book p.18]
75. Schembri, P.J. (1998) Maerl ecosystems of the Maltese Islands. In: Dandria, D. [ed.] *Biology abstracts MSc, PhD 1998 and contributions to marine biology*. pp.35-37. Msida, Malta: Department of Biology, University of Malta; iv+38pp.

76. Schembri, P.J. & Baldacchino, A.E. (1998) *Ilma, blat u hajja: is-sisien ta' l-ambjent naturali Malti*. [It-tieni edizzjoni riveduta] Msida, Malta: Malta University Publishers Ltd.; 111pp.
