continued from page 31

~~3. Niddisprezzaw il-gworra, hu x'inhu l-motiv, filwaqt li naghtu gieh lill-mara, li ggorr il-Hajja.~~

~~4. Kontra kull tip ta' razzizmu, intolleranza u persokuzzjoni etnika li gabu l-mewt ta' muljuni ta' bnedmin.~~

Lill-pajjiz

~~5. Bħall-bqija, pajjizna hu parti mid-dinja u mill-univers. Niddisprezzaw l-insularita' tiegħu, li minkejja hi naturali, hi ta' hsara għalih għax iggoghlu jehda fiċ-ċuċati.~~

~~6. Inqisu l-Hsieb bħala ikel bżonnjuż għall-bniedem u bħala s-salvazzjoni ta' pajjizna.~~

Lura lejn l-gheruq

~~7. Immorru lejn l-gheruq, għax mill-passat nifhmu l-preżent u l-gejjieni. Nammiraw iċ-ċivilta' preistorika ta' pajjizna li hi innu lill-Hajja:~~

~~is-sigra tal-Hajja bħala għajn ta' immortalita', l-ispiral-simbolu ta' eternita' u s-serp li mhux aktar simbolu tal-hazen imma ta' regenerazzjoni.~~

~~8. Naraw fit-tempji megalitiċi u fiċ-ċivilta' li bniethom eżempju ċar tar-rebħa fuq l-insularita'. Minkejja li f'art limitata bla riżorsi, l-artist ma tilifx il-viżjoni, id-disinn u l-kreattività. Naraw it-tempji huma spazji uniċi ta' l-umanità, mibnijin f'kuntast ta' ordni sesswali, politiku, soċjali u religjuż.~~

~~[Mario Cassar was born in 1975 and lives in zebbug. He obtained a B.A. degree in Art at the University of Malta. He teaches Art and Design at Sir M.A. Refalo Centre for Further Studies and at the Wistin Camilleri School of Fine Arts.]~~
