

# MALTESE PHILATELY — A Bibliography

edited by CARMEL G. BONAVIA

As a service to its members, our Society proposes to publish a list of books, articles, and other publications featuring Maltese stamps and philately. This list will be compiled with the help of all members, each sending information when he reads anything on the subject. As a start, we have compiled the following list. I hope it will grow in time and that our members will find it very useful and interesting.

My thanks go to the Editor of our Magazine, and to Mr. J.J.S. Goss, who compiles the "Index to Current Philatelic Literature" for "The Stamp Lover", published quarterly by the National Philatelic Society of Great Britain.
