5. The programme of study shall comprise study-units to which a total of 90 ECTS credits are assigned, of which 60 ECTS credits are assigned to taught study-units and 30 ECTS credits are assigned to the dissertation study-unit.

6. Students who successfully complete a prescribed set of study-units totaling 30 ECTS credits for taught study-units with an average mark of at least 50% and do not proceed with the Course, or having proceeded do not successfully complete the Course, shall be eligible for the award of the Postgraduate Certificate.

7. Students who obtain the 60 ECTS credits assigned to the taught study-units with an average mark of at least 50% and do not proceed with the Course, or having proceeded do not successfully complete the dissertation, shall be eligible for the award of the Postgraduate Diploma.

8. Students shall be eligible for the award of the Degree if they obtain the 90 ECTS credits as outlined in the programme of study for the Course with an average mark of at least 50%.

9. The programme of study shall be published after approval by Senate, normally not less than eight months prior to the commencement of the Course.

Assessment and Progress

10. (1) The assessment of each taught study-unit shall be completed by the end of the semester in which the teaching of the study-unit is held.

(2) Students who in any academic year fail in the assessment of not more than 10 ECTS credits shall be given the opportunity to re-sit the failed assessments during the September assessment session.

(3) Students who fail in more than the number of credits permitted under paragraph (2) of this bye-law or students who after re-assessment fail to obtain credit for any study-unit shall be required to withdraw from the Course.

Dissertation

11. (1) Students shall be required to submit an individual dissertation of approximately 15,000 to 20,000 words in accordance with the guidelines issued by the Board of Studies.

(2) Work on the dissertation shall be undertaken during the final two semesters of the Course; provided that students wishing to complete the Course over two calendar years shall be allowed to work on the dissertation during the two summer periods following the taught semesters. Such students will be required to inform the Board of Studies of this decision by not later than the first semester of the second year of the Course.

(3) A provisional title for the dissertation and a detailed research proposal shall be submitted to the Board of Studies for approval by the beginning of the third semester.

12. (1) Students shall be required to have regular contact with their supervisor.

(2) Supervisors shall submit to the Board of Studies progress reports for each student under their supervision at the end of each semester of studies. Such reports may include recommendations to either (a) extend the period of study in order to enable the student to complete the dissertation; or (b) terminate studies prematurely if the supervisor deems this to be proper in the circumstances, provided that:

(i) the extension of the study period referred to in (a) shall be in accordance with the provisions of Principal Regulations; and

(ii) the Board may not terminate studies prematurely according to (b) until it has first given the student a chance to be heard.

Classification of the Awards

13. The Final Weighted Average Mark for the purpose of the classification of the Postgraduate Diploma and of the Degree shall be based on the results obtained in all the components of the programme of study, all credits being weighted equally.
