Centre for Labour Studies Library Rules

(Adopted from the University of Malta Library Rules)

Library Patrons

- 1) The Library can be accessed by members of the University of Malta as follows:
 - a) all academic members of staff;
 - b) members of the University support staff;
 - c) registered students of the University
 - d) visitors

Loan of Items

- 2) At any one time Library patrons may have in their possession not more than the number of items specified below:
 - a) a member of the University's academic staff – **three (3)**
 - b) others – **two (2)**
- 3) Books/ journals/ bulletins/ magazines can be lent for a maximum period of **two weeks**.
- 4) The date-due slip indicates when an item is due for return, unless this date is subsequently superseded by a recall notification. It is the responsibility of the borrower to ensure that items on loan are duly returned to the Library.
- 5) Any item on loan may be recalled, if required by another patron, or if required for teaching purposes. Such items must be returned within **one week from notification** that the item is required by another patron, unless the date due for the return of that item falls beforehand.
- 6) All items must be returned to the Centre for Labour Studies by the date specified.
- 7) A Library item shall not be transferred to another Library patron unless the item is returned and re-issued.
- 8) Registered students of the University must return any Library items still in their possession upon termination of their course of studies.

Custody of Items

- 9) Library patrons who borrow or consult an item are responsible for its safekeeping. Mutilation of items is seriously offensive.
- 10) Library patrons shall be required to make good to the satisfaction of the Director any loss or damage which they may cause to any Library property including borrowed items.
