PRIVACY NOTICE - UNIVERSITY LIBRARY EVENTS AND WORKSHOPS

The University of Malta, as Data Controller, processes the personal data requested in this form for the purpose of managing registrations, organising the relevant event or workshop, recording attendance and communicating with registered participants where necessary.

The personal data collected may include your name, email address, selected workshop or event, and any scheduling or participation details requested in the form. Only information necessary for the organisation of the activity will be collected.

The processing is carried out on the applicable lawful basis under Article 6(1) GDPR, as determined by the University of Malta for the relevant activity.

Access to the information is restricted to authorised University personnel involved in organising the event. The information will not be disclosed to other parties unless necessary for the organisation of the activity, required by law, or otherwise lawfully justified. Where University-approved digital service providers process the information on the University's behalf, the applicable data protection safeguards will apply.

Registration information will be retained only for as long as necessary for the purposes described above, in accordance with the University's applicable retention requirements, and will subsequently be securely deleted or disposed of unless a longer retention period is legally justified.

Further information about the processing of personal data, your rights as a data subject and how to contact the University's Data Protection Officer is available in the University of Malta's General Privacy Policy.

For any questions concerning the processing of your personal data, you may contact the University of Malta's Data Protection Officer at idpu@um.edu.mt.
