Subject: Early Opening of SBA Upload Period on the MATSEC Portal

Date: 14 March 2025

Following our experience with the submission process for Advanced and Intermediate subjects, we are pleased to report that the new features on the MATSEC Portal performed well, with minimal issues encountered. Consequently, we have decided to open the submission period for Secondary Education Certificate (SEC) schools earlier than originally planned to allow additional time for uploading the required information.

The SBA upload period for SEC schools will now open on Monday, 17th March 2025, one week earlier than scheduled. The deadline for submission remains unchanged. This extension aims to provide schools with ample time to complete the process efficiently.

We appreciate your cooperation in ensuring the timely and accurate submission of all SBA marks. Should you require any further clarification or assistance, please do not hesitate to contact us.

Access to the portal and guiding documentation is available on www.um.edu.mt/matsec/register.
