---

Kindly note the following in relation to the Controlled Assessment of SEC 43 Hairdressing and Beauty Unit 1 Marking Scheme:

**Question 3b – K7 – MQF2**

The expected answer for tests to be performed before a facial service is to be amended as follows:

*Before a facial service: moisture content, muscle tone, elasticity, ~~infestations~~, skin type, sensitivity.*

'Infestations' is to be removed from the list of possible answers in relation to a facial service. Other valid answers are to be accepted, as per existing note.

Please bring the above to the attention of the respective teachers and internal verifiers.
