Any documents and/or files have to be placed in one zipped folder, which should not exceed 20 Megabytes (MB). Hard copy versions will **not** be accepted.

Heads of school are to upload a soft copy of their school candidates' coursework on the MATSEC portal between **Monday 1 March and noon Wednesday 17 March 2027**. Each candidate's submission must be a single compressed file containing all their completed tasks. Further details on the process to be followed are included in the document 'School Guidelines to MATSEC Portal'. Coursework marks should be submitted out of 100 for IM Computing and AM Computing, while those for IM IT and AM IT are to be submitted out of 20 and out of 30, respectively.

Private candidates are to submit a copy of their work at MATSEC or University Gozo Campus, Xewkija in a soft copy format using portable media (a USB stick) between **Monday 1 March and noon Wednesday 17 March 2027**. All work must be submitted in one folder, clearly labelled with the Candidate's ID Number (no brackets, spaces, or additional characters (e.g. 0123456L)).

Candidates are to review their submission carefully before handing it in to ensure that the file is not corrupted, and all guidelines are being followed. Submissions which do not follow these instructions will **not** be considered and may lead to no marks being assigned for this component.
