Subject: SEC 36 Health and Social Care Controlled Assessment Marking Scheme Changes and Clarifications

Date: 24th May 2022

Kindly note the following in relation to SEC 36 Health and Social Care Unit 2 Controlled Assessment Marking Scheme:

Question 5b - C-4 MQF 2

In the allocation of marks (fifth column of the Marking Scheme) the sentence '1 mark should be allocated for causes and 1 mark for areas' **should be revised** to read '**Allocate 0.5 marks for each cause and 0.5 marks for each area discussed.**'

Kindly bring the above changes and clarifications to the attention of the teachers and internal verifiers concerned with this assessment.
