---

Registrations for the Main/First Session of the 2026 examinations opened on Monday, 27 October 2025, and will close at noon on Friday, 7 November 2025.

Registration during this period is free for e-ID holders and can be completed through the MATSEC portal at [www.um.edu.mt/matsec/register](http://www.um.edu.mt/matsec/register).

Schools are kindly reminded that a confirmation email is automatically sent to their registered email address, containing the details of candidates who have selected the school as their institution during registration. Schools may also monitor registrations via the 'Reporting' function on the MATSEC portal.

It is strongly advised that schools instruct students to amend their registration if they have registered as school candidates for any subjects not being studied through the school.
