Subject: AM 05 Biology - Submission of practical reports

Date: 14 November 2025

The syllabus and assessment requirements for AM 05 Biology will remain unchanged. As from the first session of 2026, the procedures for submitting the practical workbook will be as follows.

All candidates sitting for AM 05 Biology are required to submit a scanned copy of their original practical reports (workbook(s)) which are duly certified by their tutors, in PDF format in order to proceed with the Paper IV examination.

Each submission must:

- consist of one single PDF file containing all practical reports;
- have its filename with the candidate's ID number only (without brackets, spaces, or additional characters, e.g. 0123456L);
- not exceed 100 MB in file size.

Candidates are to review their work carefully before submission to ensure that all work has been uploaded, the file is not corrupted and all guidelines are being followed. Submissions which do not follow these instructions will not be considered and may lead to no marks being awarded for this component.

Candidates should receive a copy of their response once the upload is successfully completed. If this is not received, contact MATSEC on 23402814 or matsec@um.edu.mt.

This form will be accepting uploads between **Monday 4 May 2026 at 09:00** and **Friday 29 May 2026 noon**. Candidates will be receiving an email with further instructions closer to the upload date.
