# A DAY TO REMEMBER. CONGRATULATIONS!

Graduation is the culmination of your student days, one of your dreams has come true. Your dream is a moment that should be captured for life. With over 75 years of experience, at Tufigno Photography we can guarantee that our photographic team will capture the moment of each graduate receiving his/her award. Graduates may also choose to have photos taken with family and friends in a digital studio or an outside photo shoot. You can be sure of the best quality photographs to look back on for years to come.

# GRADUATION VIDEOGRAPHY

A photo captures a moment and a video lets you look back on the entire event for years to come.

Thanks to our professional videography services, all graduation ceremonies and celebratory masses are filmed and available for purchase as a USB pen drive at €23.00
