It is in the student's interest to keep a copy of the Add/Drop form and to ensure that action has been taken and that registrations on eSIMS have been updated accordingly. Students following full-time undergraduate courses are responsible to check that they are registered for 60 credits or if registered for part-time courses, that the number of ECTS credits tallies with the number of ECTS credits indicated in the Programme of Studies they are registered for.

COMPULSORY study-units may not be added or dropped.
*O/E/R: Optional or Elective or Referred (Note that if a referred study-unit is dropped, its replacement will also be considered as a referred unit and a maximum mark of 45% may be awarded.)
