

UNIVERSITY OF MALTA

The University of Malta traces its origins to the founding of the Collegium Melitense which was set up in 1592. Today, it hosts over 11,000 students following full-time and part-time degree and diploma courses. The University of Malta is the highest teaching institution in Malta. It is publicly funded and its structures are in line with the Bologna Process and the European Higher Education Area. It strives to provide courses that are relevant to contemporary needs of the industry and employers.

FACULTY OF EDUCATION

Education is a lifelong and lifewide process, an intellectual birthright which, when fostered and nurtured, enables all individuals to flourish. Since its foundation, almost forty years ago, the Faculty of Education has provided a significant contribution to the field, both locally and internationally, through its scholarly involvement in projects and initiatives, and by means of its engagement in research and policy making. While the faculty's commitment to teacher formation is central, it also serves society by offering a wide range of courses in Education, ranging from early childhood to adulthood, at undergraduate and postgraduate level.

MTL in Business Education

COURSE OVERVIEW

Have you ever wanted to become a teacher? Have you ever thought of leaving a positive impact on young learners? If yes, why not consider the job satisfaction you might enjoy from this career as a business educator?

The MTL is a course which enables graduates to teach at primary and secondary level, according to the area of specialisation chosen.

MTL IN BUSINESS EDUCATION

You embark on this course to become fully qualified to teach accounting, business studies and economics. You shall be provided with the opportunity to interact with lecturers who have extensive experience in teaching these subjects, who promote interactive teaching and learning strategies, and encourage a collaborative ethos.

Course requirements

A first-cycle degree with at least 16 ECTS credits in Accountancy, 16 ECTS credits in Economics, and 38 ECTS credits in areas considered relevant by the Board of Studies.

Note: If you do not possess the full compliment of credits required and need to obtain 12 ECTS credits or less, you are allowed to register for the course on the condition that these credits are obtained during the MTL course.

MTL IN RETAIL

You embark on this course to become a fully qualified teacher of VET Retail.

Course requirements

A first cycle degree with at least 70 ECTS credits in a relevant area of study.
