FINAL YEAR SCREENING CONSENT

In order to be able to work at Mater Dei Hospital or within the Department of Health, all students will need to be screened before their final examinations.

We have been informed by the Department for Health Regulation within the Ministry for Health and Active Ageing that in order to organize such screening for final year students, they will require personal details of students so that they can be inputted in the database.

Personal details required are as follows:

- Name and Surname
- ID Number
- Date of Birth
- Postal Address
- Nationality
- Mobile Number

☐ I give consent to the Faculty of Health Sciences to forward my personal details, as indicated above, to the Department for Health Regulation to be used for screening purposes;

☐ I **DO NOT** give consent to the Faculty of Health Sciences to forward my personal details, as indicated above, to the Department for Health Regulation to be used for screening purposes.
