B.Sc. I.T. (Hons.) in Artificial Intelligence

ICT3909 (Final Year Project in Artificial

Intelligence – 30 ECTS)

Final Year Project Supervision

Agreement Form

(To be completed ONLY upon acceptance of supervision by supervisor)

Academic year: | 2023/2024

Student name: | ID card #:

Supervisor name (and co-supervisor, if applicable – write supervisor name first):

Project title:

Final Year Project Overview

    a. *A student proposing his/her own Final Year Project title needs to present his/her proposal through the **apposite description form** and attach it to this supervision agreement form.*

General Notes

    a. *A track of all supervision loads will be kept in accordance with established values.*

    b. *The involved parties understand that maximum loading values are not to be exceeded in the absence of justifiable and extraordinary situations which need to be approved by the Board of Studies.*

Declaration

By signing this supervision agreement form -

a. *The above-mentioned supervisor(s) affirms his/her/their intention to supervise the above-mentioned student.*

b. *Both supervisor(s) and student acknowledge that it is at the Board of Studies' discretion to recommend acceptance of the project and supervision.*

c. *The student confirms that in the case of acceptance by the Board of Studies, his/her decision to be supervised by the indicated supervisor is final.*

NOTE: This form must reach the Department`s Administrator via email on nadia.parnis@um.edu.mt
