Guidance for applicants presenting overseas qualifications

Admissions 2025/26

Semester Dates

The Opening Ceremony for the new academic year is on **Monday 29 September 2025**.

The first semester for first year undergraduate and postgraduate students starts on **Monday 29 September 2025**.

The Academic Calendar and other important Semester Dates are available at

🔗 um.edu.mt/study/datesdeadlines/importantdates

Activate the UM IT Account

All accepted applicants can activate their UM IT account using their e-ID account. Following activation, you will be allocated a University email address and given access to other IT facilities and services offered at the University.

You can activate your UM IT Account (or reset your password) from any computer connected to the Internet by following the instructions available at:

🔗 um.edu.mt/itservices/activate

Please note that you can also activate the UM IT Account by logging in to any IT Services workstation (found at various locations on campus, including the IT Services Building and Main Library) using the Username: **newuser** & Password: **newuser**.

Download My UM App

My UM is the official app of the University of Malta, and is available for Android and iOS devices. My UM features key information such as UM services opening hours, staff directory, the Msida campus map, as well as access to various services and personalised information. As a student at UM, the app will keep you in the know about UM news and events, assignment deadlines, your results, library services, VLE, eSIMS, student card and other useful information. Download My UM from:

🔗 um.edu.mt/myum

University Mail

It is important that you start monitoring any emails sent to your UM email address. Any notices sent to you on your University email address are considered as official notices duly published.

eSIMS

The eSIMS portal allows you to view your personal details, registration for study-units, results and other course information.

International Office

We advise you visit the International Office website to access general information relevant to you as a new international student.

🔗 um.edu.mt/international/students

Orientation Session

The International Office looks forward to welcoming you, as a new international student, to our orientation session. Our session is designed to help you settle in and orientate yourself in your new surroundings on campus.

Please visit our website for updates on orientation dates and other information:

🔗 um.edu.mt/international/students/orientationsessions

Acceptance on Course and Deposit Fee

If you are a non-EU/EEA student you are requested to pay a deposit fee of €1000 to secure your place on the course. This payment must be affected through the personal link provided in the correspondence confirming acceptance by the indicated deadline. This payment is considered as a confirmation of your acceptance and more importantly as a required step for your visa application.

If you are an EU/EEA student and are following a fee-payable course, you will also need to pay the relevant tuition/annual enrolment fees at the Maltapost branch, Administration Building or via Internet Banking.

The tuition/enrolment fees are available through the Fees tab while searching for a course through the online search facility: 🔗 um.edu.mt/courses

Where deposit and tuition fees are payable, the deadline for payment is indicated in the correspondence confirming acceptance.

Further information regarding payment procedures is available at: 🔗 um.edu.mt/l/8A2Xt

Travelling to Malta

Here are some tips before travelling to Malta:

🔗 um.edu.mt/international/students/arrivalinformation

Visa and e-Residence Permit

The International Office also offers visa support to non-EU nationals who require an entry visa to Malta. If you need to apply for a visa, you are to familiarise yourself with information about the visa process. You also need to acquaint yourself with the requirements for the e-residence permit application. This is available on:

🔗 um.edu.mt/international/students/visas

For more information and assistance, please contact us on: ✉ international@um.edu.mt

Verification of Original Certificates

The University has issued your letter of acceptance based on the copies of your qualifications as provided by you. Original certificates are to be presented upon arrival to Malta in September/October. For dates and times, kindly visit:

➤ um.edu.mt/admissionsverification

You will be officially registered on your course and have access to all student portals following the verification of your qualifications.

Enrolment

You will receive an email notification asking you to complete the online enrolment process through My UM App in order to confirm that you have commenced your studies. The online enrolment process has to be completed by the deadline stipulated on the email notification.

Data Protection

The University collects and processes personal data concerning students in the exercise of the official authority vested in it as an educational institution acting in the public interest, and is committed to processing such data in accordance with all applicable data protection legislation. Further information about your rights and the University's processing of your personal data is available on: ➤ um.edu.mt/privacy

Course Regulations and Bye-Laws

Before you commence your studies, it is advisable to read the regulations and bye-laws relating to your course, available on the University's website as follows:

General Regulations: ➤ um.edu.mt/l/pZIKR

Course Regulations: ➤ um.edu.mt/l/UafOZ

Health Care

Accepted applicants for the Doctor of Medicine and Surgery, the Bachelor of Science (Honours) in Pharmacology, and the Bachelor of Science (Honours) in Pharmaceutical Science courses: Students are required to undergo an Occupational Health Assessment so as to ascertain that they are fit for the duties related to their proposed studies.

Students who do not fulfil the Occupational Health Assessment requirements may be barred from progressing with their studies. Failure to disclose information about a physical or mental health problem that could affect patient safety is considered to be a serious breach of the University Suitability to Practise Regulations.

For further details regarding this health assessment kindly contact the Faculty of Medicine and Surgery on ✉ ms@um.edu.mt.

Accepted applicants for courses offered by the Faculty of Dental Surgery: Prior to enrolling for their course, students are required to undergo an Occupational Health Assessment so as to ascertain that they are fit for the duties related to their proposed studies. Students who do not fulfil this requirement shall be barred from attending the Practical Placements that include Laboratory and Clinical Sessions.

For further details regarding this health assessment kindly contact the Faculty of Dental Surgery on ✉ ds@um.edu.mt.

Accepted applicants for Courses offered by the Faculty of Health Sciences:

As potential future health care professionals, students have a duty to provide the relevant information to the Faculty of Health Sciences. Failure to disclose information about a physical or mental health problem (that could affect safety of the student him/herself or of others; including patients, clients, students and staff), would be considered to be contrary to the dispositions included in the University Suitability to Practise Regulations. All medical and sensitive personal information provided by students will be held in complete confidence by the Faculty of Health Sciences.

Students are also required to undergo an Occupational Health Assessment so as to ascertain that they are fit for the duties related to their proposed studies.

This health assessment is applicable to all students following the Certificate for Graduates of Non-EU/EEA Nursing Programmes, the Preparatory Course for the Bachelor of Science (Honours) in Nursing, the Bachelor of Science (Honours) programme (direct entry), the Bachelor of Science (Honours) in Physics, Medical Physics and Radiation Protection, the Master of Science in Diabetes Care, and the Postgraduate Diploma in Dietetics. Students following particular areas of study within the Master of Science (both mainly taught and mainly research streams) may be directed by the Board to complete this health assessment.

For further details regarding this health assessment kindly contact the Faculty of Health Sciences on ✉ healthsciences@um.edu.mt.

Accepted applicants for Certificate for Graduates of Non-EU/EEA Nursing programmes:

You are kindly requested to present / submit all of the following, prior to or promptly upon arrival to Malta.

1) Detailed, official vaccination records with items clearly identified in the English language.

2) Applicants from the **listed countries which WHO deems** to be at higher risk to tuberculosis exposure should present the following tests taken within the previous four weeks;

- A normal chest X-Ray result.
- A negative Interferon-Gamma result.

3) Evidence of immunity or absence of markers of infectivity to the following viral illnesses (Recent serology)

3.1) anti HBs of >12.00mIU/ml AND a negative HBsAg.

3.2) negative Hepatitis C antibody test.

3.3) negative HIV antibody result.

3.4) documented vaccination to Measles and Rubella (2 doses) OR results of antibody titres to Measles and Rubella showing immunity status.

3.5) documented vaccination to Varicella (2 doses) OR immune status result of antibody titre to Varicella OR an official declaration of past infection certified by a registered medical practitioner.

3.6) other certificates / documents may be requested from accepted applicants in line with any changes in national and / or institutional regulations, and / or legislation at the time of commencement of the programme of studies.

Important: Kindly note that the Council of Nurses and Midwives has its own requirements with regards to English Language certification and the licence to practice as a nurse.

Lectures

Lectures for study-units relating to courses offered on a full-time and part-time day basis may be held on any day from Monday to Friday between 08:00 and 20:00. Lectures for part-time evening courses may be held from Monday to Friday between 16:00 and 20:00. The University shall announce the days on which a course is to be held prior to its commencement. However, it cannot be bound by fixed days and times for the duration of the whole course. Applicants are encouraged to consult the respective Faculty/Institute/Centre/School for further information.

Library

The Library's mission is to support the UM's teaching programmes and research initiatives by providing adequate scholarly information resources, emerging technologies and comprehensive user support services.

As a customer-oriented and service-driven organisation, the Library is actively committed to equip students with the necessary information literacy skills, enabling them to identify, locate, use, synthesise and evaluate information resources as a pivotal element of a knowledge-based society which is an asset for the prosperity of Malta's intellectual and economic growth. To this effect, the Library provides a wide spectrum of training sessions and workshops.

To book your place, please visit our website: um.edu.mt/library/workshops

IT Services

The IT Service Desk is the primary point of contact for UM staff and students to report IT related issues, seek further information about our services and find our self-help guides. IT Services manages the University's IT infrastructure and supports the teaching, learning, research and public engagement activities of the University through efficient and effective use of information and communication technologies.

🔗 um.edu.mt/itservices

eduroam Wi-Fi

eduroam Wi-Fi service is available to connect your personal devices throughout the University and other local and foreign institutions (participating in eduroam) using your UM IT Account.

Note: You need to be connected to the Internet while setting up eduroam Wi-Fi.

🔗 um.edu.mt/itservices/wifi

Workstations

IT Services computers (Windows and Mac) for individual and group study are available in various open access areas across the campus, including:

- IT Services
- Library
- Health Sciences Library (Mater Dei)
- Faculty of Media and Knowledge Sciences (Mac computers)

Gmail

Calendar

Drive

Chat

Meet

VLE (Moodle)

Provides access to study material, resources, lecture recordings (Panopto) and virtual classroom software (Zoom). Plagiarism detection software (Turnitin) may be used to scan your coursework and dissertation for potential plagiarism.

🔗 um.edu.mt/itservices/vle

Printing and scanning

Laser printing (colour or black and white) is available in open access areas on a self-service basis using printing credits (which you can purchase online). Wide-format printing (A0) facilities are also available by request. Scanners can be found in certain access areas.

🔗 um.edu.mt/itservices/printscan

Software

IT Services provides software (e.g. IBM SPSS, Microsoft, NVivo, ArcGIS, Autodesk) for academic-related purposes.
